Introduction

KickStart Youth Football League was founded in 2002/03 by KickStart Academy. Best practice has always been the League's priority and this paid dividends in Season 2010/11 when the League became the first in Nottinghamshire to be awarded with Charter Standard League accreditation.

The League Handbook contains all the information you will need to help you run your team apart from the contact details of Club Secretaries and Team Managers, due to the introduction of the new GDPR (General Data Protection Regulations). These details will instead be displayed in password protected documents on our website and they will also be sent by email to all parties in need of this information (along with the passwords): -

Referee's Mark

Please award marks out of 100 for your Referee

If you have any complaints about the performance of a Referee or any incidents occurring involving your Referee or you score your Referee 60 points or below, your Club Secretary must send a report to the League Secretary, copied to the Referees Secretary, within 2 days of the Competition Match (excluding Sunday), in order for the matter to be investigated. You can also add notes into the Box provided to log the incident with Full Time

A Guide to marking Referees

The mark awarded to a Referee by a Club must be based on the overall performance. It is **most** important that the mark is awarded fairly and not based upon isolated incidents or previous matches. The Referees mark should be determined by the table below, which should act as a guide. Please see notes below for help in making your decision on the Referees mark. Please remember any Club marking a Referee with a mark of 60 or below must provide a letter or email with the reasons as to why. The purpose of this is to assist the League in improving the Referees performance and will be acted upon. So please ensure the comments are as accurate as possible, and not just that the Referee was poor.

- 91-100 Really! A Referees mark of 90 or 100 would indicate that the Referee should be refereeing in the World Cup and not in the KickStart League. The Referee got every throw-in, corner, goal kick and free kick spot on and was within 3 metres of every incident that happened. No one had to shout Referee once! Or was this just the quick and easy mark to put in with little thought behind it.
- 81-90 A top mark for a Referee that has shown excellent control of the game, getting 85-90% of all decisions correct (after all Referees are human), looked smart with full Referees kit worn and had all the correct equipment with them; and explained all their decisions to the players showing them respect when doing so.
- 71-80 The Referee showed reasonable control of the game and despite some shortcomings generally controlled the game well. The Referee will have got between 60-85% of the decisions correct and looked the part.
- 61-70 The Referee had poor control over the game and only got between 45-60% of the decisions correct, he still looked the part but may need some guidance in decision making and control of the game.
- 60 or less The Referee showed little control over the game and wasn't very mobile in their movement. The Referee showed little interest in the game and did not look the part and wasn't wearing any Referees kit.

A few points to help you decide on the Referees mark

- How well did the Referee control the game?
- Were all laws applied correctly?
- Were all incidents dealt with correctly?
- Was the Referee well positioned to see all incidents?
- Did the Referee stay alert and concentrate throughout the game?

- How well did the Referee communicate with the players during the game?
- Was the Referee confident when making decisions?
- Did the Referee look the part? Correct full Referee kit (please note that tracksuit bottoms and jumpers/skins under the Referees kit are permitted by the League in bleak weather).
- Was the Referee mobile in movement during the game or were they static?
- Did the Referee use a good and clear whistle tone during the game or did the players struggle to hear the Referee?

Final thoughts before marking the Referee

- Don't mark the Referee down unfairly because your Team was unlucky and lost the game.
- Judge the performance over the whole game and not on the one decision you didn't get.

**Please send all observations on Referees good or bad
to David Peake at kickstartreferees@gmail.com**

Registrations, Transfers & De-Registrations

HOW TO REGISTER A NEW AND EXISTING PLAYER

All new and existing players must be registered on the Whole Game Player Registration system as voted on and agreed by the membership. To register players you need to visit www.wholegame.thefa.com and log in with your email or FAN number and password. If you have forgotten your FAN number or password visit www.thefa.com/account/requestpasswordreset.

See the document guide 'Registering Players on the WGS Player Registration system on the KickStart website under 'Documents & Forms' then under the 'Documents' heading to assist you with the process.

Within the process it is a requirement of the League that all Club Secretaries and/or any person designated as a Player Registration Officer to the WGS Player Registration system, will need to verify that they have seen at least one document attesting to a players' date of birth which must be in the form of either a birth certificate, passport or medical card. It is also a requirement of the League that a current passport size photograph must be attached to the Whole Game Player Registration portal for all players in every age group this Season. Please see 'Player Photo Guidance' on the KickStart website for a full guide to player photo requirements.

Please note that a minimum of 5 players for 5 v 5, 7 players for 7 v 7 and 9 players for 9 v 9 must be registered on the WGS Player Registration system on or before 31st July 2019. Player ID cards will continue to be produced despite KickStart joining the WGS Player Registration system. Match day 'Team Sheets' will also continue to be produced.

The deadline for registering a player onto the WGS Player Registration system on a week to week basis once the Season has commenced is by 9.00 pm on the Thursday preceding the playing Sunday. This is necessary to allow enough time for the registration to be approved by the League Registrar, the Player ID card to be printed and the Team Sheet to be updated. PAYMENT IN THE SUM OF £3.00 PER PLAYER WILL BE PAYABLE ON COLLECTION OF PLAYER ID CARDS. Player ID cards will be available for collection from Football Reception at the start of the Season and on a weekly basis as and when a new player is registered.

HOW TO TRANSFER A PLAYER

'Transferring a player' Guidelines using the WGS Player Registration system can be found on the KickStart website at www.kickstartfootball.co.uk under 'Documents & Forms' Then under the 'Documents' heading. This should provide all the information you require to assist you with the process of transferring players on the WGS Player Registration system. The last day to register a new player or transfer a player is 16th March 2020.

WHEN BOTH CLUBS AGREE TO THE TRANSFER

The 7 days written notice of approach may be waived if both Clubs are in agreement with the transfer. If a player that the Club wishes to add is already registered with another Club in the current season and that Club has teams that play on the same day, a 'Notice of Approach' must be submitted. An additional pop-up will allow the Club to either send a notice of approach or confirm that the other Club has waived notice. This second option should only be selected if direct communication has been made with the current parent club and they have allowed an approach to be made. In all other circumstances, the approaching club must abide by the FA rule and serve a 7 day notice period.

Once a notice of approach has been sent, the player will be marked as 'Transfer Requested'. Any notice of approach submissions will be stored in the Transfers section whilst awaiting the end of 7 day period. If a player has yet to be registered in the current season, or if they are registered to a Club that doesn't have any teams that play on the same day as the approaching Club, no notice of approach will be required as per standard practice. Once the 7 day period for a notice of approach has been served, the player record in the Transfers section will include a button allowing the "Start Transfer". This will submit the request to the current parent club and send them a notification that the transfer needs to be processed. The current parent club will have the option to 'Approve Transfer' or 'Reject'. Approving the transfer will remove the request from both clubs and place the player into the

Players section of the new club. Once players have been added to the Club, it is then possible to request player consent for registration and submit these registrations through to the league for approval. If done before the deadline of 9.00pm on the Thursday, the player should have their playing card available at KickStart Football Reception on the Sunday and be allowed to play. PAYMENT IN THE SUM OF £5.00 PER PLAYER WILL BE PAYABLE ON COLLECTION OF PLAYER ID CARDS.

WHEN A CLUB HOLDING THE REGISTRATION DOES NOT AGREE TO THE TRANSFER

Clubs wishing to transfer a player from another Club must give them 7 days' notice of intent of approach as per FA Rule C2(a). This must be completed by Club Secretaries on the WGS Player Registration System. Clubs may approach the player from the 8th day of the date of the submission of intent. If the player wishes to transfer, once consent has been obtained the player can be assigned to the team and registration submitted to the league.

Please note that there are no existing reasons which may be brought into the process which would prohibit a youth football player from transferring.

HOW TO DE-REGISTER A PLAYER

To de-register a player, all you need to do is return the players registration ID card to your Football Reception or to the League Secretary/Registrar direct, with a **signed and dated** note simply stating 'De-register ' (Insert player's name(s)); and the player(s) will be removed from your team sheet. There is no charge for this process.

Following the above, the league will cancel the registration of the player(s) to enable the Secretary/Player Registration Officer for the club to detach the player where required using the WGS Player Registration system. Details on the above can be found on the KickStart website at www.kickstartfootball.co.uk under 'Documents & Forms' Then under the 'Documents' heading.

Respect

Respect is the collective responsibility of everyone involved in football to create a fair, safe and enjoyable environment in which the game can take place.

We never want the passion or emotion removing from the game, but if we all work together we can channel it in the right direction and provide an action packed environment full of positivity which everyone can enjoy and benefit from.

On and off the field; you will: -

- Show respect to others involved in the game including match officials, opposition players, coaches, managers, officials and spectators
- Understand that the actions of your club members (supporters) is your responsibility. Ensure they stay behind the respect line and never go behind either goal area
- Be sporting - applaud good play whichever team produces it
- Adhere to the laws and spirit of the game
- Promote Fair Play and high standards of behaviour
- Always respect the match official's decision
- Never enter the field of play without the referee's permission
- Never engage in public criticism of the match officials
- Never engage in, or tolerate, offensive, insulting or abusive language or behaviour
- Ensure your club members (spectators) do not try and give the players instructions - that is your job and players will only get confused
- Shake hands with the opposition at the end of the game, regardless of the score

When working with players; you will: -

- Place the well-being, safety and enjoyment of each player above everything, including winning
- Explain exactly what you expect of players and what they can expect from you
- Make sure your language is appropriate for the age you are coaching
- Let the players play the game. Don't play it for them
- Give each player a reasonable amount of playing time
- Ensure all parents/carers of all players under the age of 18 understand these expectations
- Never engage in or tolerate any form of bullying
- Develop mutual trust and respect with every player to build their self-esteem
- Encourage each player to accept responsibility for their own behaviour and performance
- Ensure all instructions are appropriate for the players' ability level, age and maturity
- Co-operate fully with others in football (e.g. league officials, welfare officers) in each player's best interests

Bad Weather Cancellations

Occasionally it may be necessary to cancel games due to pitch conditions or bad weather. If this is the case please follow the procedure below: -

If the weather looks bleak or there has been heavy rain all week or there is frost or snow on the ground

1. Check to see if you have received a text message or an email from your Site Manager or Administrator.
2. Visit our Website www.kickstartfootball.co.uk, Facebook or see Full Time
3. If you have not received a cancellation message and there is no posting on the 'Home' page of our Website, Facebook or Full Time but you are still in doubt, please ring your Site Manager or Site Administrator (as listed below); but not until 8.30 am on the playing Sunday morning for the 10.00 am kick offs, 9.30 am for 11.00/11.15 am kick offs and 10.30 am for all later games, which gives you at least an hour and a half to contact your parents.

The League will give you as much notice as possible, when possible, of any cancellations caused by bad weather, but it is ultimately the responsibility of Team Managers' to find out if matches are cancelled and advise Players' and Parents/Carers accordingly.

Please advise your Parents/Carers not to ring the League personally - we would appreciate one phone call per team only please.

Cancelling/Postponing a Match

The League understands that sometimes this can be unavoidable, but if the matter arises please follow the procedure below: -

As you can see, the sooner you can let us know about a cancellation, the less hassle and expense it is for everyone involved.

Please do not wait until the next set of fixtures are published to let us know of your unavailability.

Please do not assume that if you currently do not have a fixture, that you definitely will not. A cancellation may take place causing a fixture to be generated.

PLEASE NOTE

Check your fixtures regularly, DO NOT print out a list of fixtures to hand out to your Players' Parents/Carers. Fixtures are subject to change up to Friday evening, although this is rare. If a fixture has changed with less than seven days until the fixture, you will receive a text notification from the Fixtures Secretary.

KickStart Youth Football League

Standard Code of Rules – 2021/22

STANDARD CODE OF RULES

This document contains the Standard Code of Rules developed by The Football Association for open age football (the “Standard Code”).

The Standard Code is mandatory for all Competitions at Regional NLS Feeder League level and below, and The FA Women’s Pyramid excluding the FAWSL, FAWC and the FA Women’s National League.

Competitions seeking sanction must draft their Rules in conformity with the Standard Code, using the same numbering and standard headings.

The mandatory rules are printed in normal text and the *optional rules in italics*.

It should be noted that in many cases rules are so printed because they are alternatives and the procedure to apply should be retained and the others omitted.

In all cases where a [] is shown the necessary name, address, number or wording to complete that rule must be inserted.

Competitions may add to the core of the Standard Code, which is mandatory, providing the additions are approved by the Sanctioning Authority and do not conflict with the mandatory rules or any relevant principles and policies established by The FA. Competitions at Tiers 5 and 6 of The FA Women’s Pyramid must also have any additions or optional rules approved by The Women’s Football Board prior to seeking approval from the Sanctioning Authority.

Guidance from the Sanctioning Authority should be sought in advance if there is any doubt as to the acceptability of additional rules.
